# LODGING

Please check with a Reservationist on the availability of housing because all housing may not be available on your desired date. The number one determinant of where you will have your retreat is most likely the housing. First let's estimate how many participants you are bringing. Of course, as you get closer to the date, these figures will become more accurate.

## Estimated Numbers in Groups

# MEETING FACILITIES

Please view each potential meeting area's floor plan which can be found in the appendix or online carefully as they are very different. Please check with a Reservationist on the availability of meeting facilities because they may not be available on your desired date. Consider the following:

- ◆ In case it rains, where could an alternate meeting place be?
- ◆ The atmosphere of the meetings will give your program a certain "feel."
- ◆ Reserving a meeting location that is much too large for your group will automatically reduce the intimacy, but also be sure not to crowd your group into a smaller location.

Go ahead and check which facilities you are interested in. (\* denotes an outdoor meeting facility)

# APPLYING

After reviewing what our facilities provide, you are now prepared to apply for your chosen location. Don't feel overwhelmed, we can walk you through the process!

- Step 1:** Ask yourself the question, "What facilities and services do we need in order to effectively accomplish our objectives?" For instance, if you are planning a recreational retreat you would not reserve a facility which is set-up for only educational purposes. Our camping and retreat centers have made a conscience effort to meet specific needs. Let us know your retreat's purpose from the start.
  
- Step 2:** Choose **one** member to be the group representative for your event. After making your reservation, this person should be the event coordinator and work closely with our facility's contact person.
  
- Step 3:** To be prepared for filling out your application please have the following information beforehand:
  - Number of guests you plan to accommodate and the housing they will need.
  - Any food service needs
  - Activities that you plan on doing
  - Meeting locationsHaving this information should make the application a breeze!
  
- Step 4:** Although you can receive a hard copy of our application, the quickest, easiest way to apply is online. Go to [www.floridacamps.org](http://www.floridacamps.org), choose your facility by clicking on its name, select the "Applications" link, and then fill out the appropriate fields. Remember that if you have any questions during this process, we are only a phone call away! Call one of our Reservationists at (386) 454-1351.
  
- Step 5:** Tour the camp or retreat facility before your reservation, if possible. Our staff is available to meet with event coordinators to go over their plans. Various options and any difficulties can be presented at this time. Careful planning at this stage eliminates confusion and worries later.
