Do you know a woman that:

- Has been sexually abused during childhood?
- Memories of the past still trouble her life at present?
- Maybe this experience still affects her relationship with others today?
- Would like to acknowledge the fact that she is no longer a victim but a survivor?
- Is ready to be healed from her wounds?

If your answer is "yes" to any of the above questions, this retreat is for her.

THE DEPARTMENT OF WOMEN'S MINISTRIES OF
THE FLORIDA CONFERENCE IS PLEASED TO PRESENT:

HOPE FOR *hurting hearts*
